**WRITTEN STATEMENT AS A YOUNG ADULT ADVISORY DELEGATE TO THE
223rd GENERAL ASSEMBLY**

1. Why do you want to become a Young Adult Advisory Delegate to the General Assembly?

I believe that becoming more involved with the denomination will help to prepare me for a career in ministry through the Presbyterian Church. It is important to me that young adults stay involved because we represent the future of the church and should be included in the decision making process of our denomination.

2. What leadership roles do you currently fill in your church?

I have been assisting in leading the youth group at Mission del Sol for a year. I have worked at Montlure Presbyterian Church Camp on Program Staff for the last three summers. I also worked as a counselor at Heartland Presbyterian Camp this summer.

3. Are you active at your school/ in your community?

I am in Army ROTC at Arizona State. I am the President of UKIRK Presbyterian Campus Ministry. I recently started a campus ministry for ROTC cadets called Valor at ASU, which provides a community of Christians for those entering the military.

4. How would becoming a YAAD impact you financially?

General Assembly will occur during my summer vacation and not affect employment.

5. How do you think this experience will impact your life?

This experience would be invaluable to my future as it would give me an opportunity to make connections in the PCUSA as well as learn the processes that are involved with the decision making within the denomination.
