- CONGREGATIONAL DEVELOPMENT and COLLABORATION AMONG CONGREGATIONS
Congregational Development, including both programmatic and leadership development, that help churches gain clarity, purpose, focus, energy to fulfill God's call to them. Most of this development work must come from within a congregation, its members and leaders.
- STARTING NEW WORSHIPPING COMMUNITIES
We affirm God's continuing call to this mid-Council of the Presbyterian Church that growth in the membership and mission of our part of the body of Christ can and needs to happen, in part, by adding more worshipping communities. However, the most promising energy in recent years has come from people with a passion for this work, coupled with the commitment of one or more congregations to nurture and support.
