**PLEDGES FOR BASIC MISSION SUPPORT**

for Presbytery, Synod and General Assembly

Basic Mission Support is the primary source of funding to plan and implement the mission of the Presbytery of Grand Canyon, the Synod of the Southwest and the General Assembly. As Presbyterians we share equitably, responsibly, and interdependently in the whole ecclesiastical, administrative, and programmatic costs of the church's mission and ministry. Basic Mission Support provides funds for missionary salaries and benefits, overseas partner churches, resources and services to congregations and middle governing bodies.
